Title: Request the Government to release the long-pending dues share of GST and IGST to the State of Tamil Nadu.

SHRI P. RAVEENDRANATH KUMAR (THENI): The State of Tamil Nadu is one of the States of the country which successfully has been implementing GST and is the second top most State to be contributing to nation's exchequer to the tune of Rs. 1,57,167 crore. The Central Government is yet to release the Integrated GST amount of Rs. 4,072.03 crore and GST compensation of Rs. 3236.32 crore. The timely release of these amounts would be more beneficial for the implementation of various developmental works in the State without any fiscal deficit. So, I, once again, urge the Government to release the long-pending dues of GST and IGST to the State of Tamil Nadu.

Thank you.
