

**Reg. Request to Union Government for making necessary allotment to the State of Tamil Nadu from the National Disaster Management Fund.**

**SHRI S. RAMALINGAM (MAYILADUTHURAI):** Sir, the States of Tamil Nadu and Andhra Pradesh are going to have heavy rainfall in their coastal districts as a deep depression intensified over the Bay of Bengal, moving north-west, and evolved into cyclone Michaung. It is expected that winds may touch a maximum sustained speed of 90 to 110 kmph. In this context, it is important to highlight that the State Government of Tamil Nadu has taken adequate necessary steps. In this regard, in order to further support the efforts taken by the State Government, I humbly request the Union Government to grant, sanction or extend the logistic and financial support to Tamil Nadu in the event of any unforeseen disaster so that it is able to manage the disaster. The Union Government may kindly do the needful for making necessary allotment to the State of Tamil Nadu from the National Disaster Management Fund.

Thank you.
