Maharashtra	16,950.64	1,29,129.40
Jharkhand	8,873.77	11,489.57
West Bengal	20,186.74	39,051.78
Jammu and Kashmir	-	7,272.22

(b) & (c): As per section 18 of the Constitution (One Hundred and First Amendment) Act, 2016, compensation to the States for loss of revenue arising on account of implementation of the goods and services tax is payable for a period of five years. During transition period, the States' revenue is protected at 14% per annum over the base year revenue of 2015-16. As per the provisions of section 7(2) of Goods and Services Tax (Compensation to States) Act, 2017, enacted by Parliament, the compensation payable to a State shall be provisionally calculated and released at the end of every two months period, and shall be finally calculated for every financial year after the receipt of final revenue figures, as audited by the Comptroller and Auditor General of India. Government of India has already released the entire amount of provisionally admissible GST compensation to all States/UTs for loss of revenue arising on account of implementation of Goods and Services Tax for five years i.e., from 1st July, 2017 to 30th June, 2022. Final Compensation arising out of reconciliation of provisional figures with audited figures is released immediately on receipt of AG's certificate and no amount other than finalization of compensation is pending for release to the states/UTs. The balance GST compensation released to Bihar, Maharashtra, Jharkhand, West Bengal and Jammu & Kashmir during the current financial year 2023-24 is as under: -

State	Amount (in Rs. crore)
Bihar	398.19*
Maharashtra	0
Jharkhand	165.63**
West Bengal	0
Jammu & Kashmir	0

* Finalization of provisional compensation of FY 2020-21 & 2021-22

** Finalization of provisional compensation of FY 2017-18 to FY 2021-22

Further, 8 instalments of devolutions have been released for FY 2023-24 (till November, 2023).

(d) & (e): GST collection has been showing an upward trend year on year basis since implementation of GST w.e.f. 1st July, 2017. GST collection rose to a record high of Rs. 1.87 lakh crore in April, 2023. Further, monthly GST collection during current financial year has crossed Rs. 1.50 lakh crore mark each time till now. The average gross monthly GST collection in the FY 2023-24 now stands at Rs. 1.66 lakh crore and is 11% per cent more than that in the same period in the previous financial year.

GST collection consists of CGST, SGST and IGST. CGST is credited to Consolidated Fund of India (CFI) while SGST is credited to the Consolidated Fund of respective States. IGST is being levied and collected by the Centre. The IGST (Domestic + Imports) so collected is apportioned / settled between the Union and the States/UTs on monthly basis, on the basis of place of consumption and cross utilization of ITC (Input Tax Credit) as envisaged under Goods and Services Tax Settlement of Funds Rules, 2017. For the amount of IGST remaining un-apportioned, provisional/advance settlement is done from time to time on an ad-hoc basis between Centre and States/UTs in the ratio of 50:50 and among the States on the basis of monthly revenue to be protected during that Financial Year.
