Answer

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRIMATI SURYAKANTA PATIL)

(a) & (b) Ministry of Rural Development has been implementing the major schemes namely, the Swarnjayanti Gram Swarozgar Yojana (SGSY), the Sampoorna Gramin Rozgar Yojana (SGRY), the Indira Awaas Yojana (IAY), the Pradhan Mantri Gram Sadak Yojana (PMGSY), the Drought Prone Areas Programme (DPAP), the Desert Development Programme (DDP) and the Integrated Watershed Development Programme (IWDP), the Haryali, the Drinking Water Supply Programme (DWS) and the Total Sanitation Campaign (TSC). The details of these Schemes including funds allocated, released and utilized by the State Governments during the last three years i.e. 2001-02, 2002-03 and 2003-04 are given in the enclosed Statements.

(c) The main reasons for not utilising the entire amount by the State Governments are mainly delay in preparation of shelf of projects, submission of Annual Action Plan, lack of coordination among various Line Departments, delay in release of funds by the State Governments etc.

(d) The implementation of the schemes is done as per the action plan prepared by the DRDAs/Zillas Parishads. However, some of the projects under Watershed Development Projects have longer gestation period of between four to six years.

(e) The State Governments including Bihar are reported to have taken all efforts to implement the projects/schemes in accordance with the programme guidelines. However, frequent transfers of the Officers affect the implementation of Rural Development Schemes.

(f) The Ministry of Rural Development has a comprehensive system to monitor the programmes/schemes effectively through Progress Reports, Area Officers Schemes, Performance Review Committee, District Level Monitors, National Level Monitors etc. The Schemes are also reviewed at periodic intervals with the State authorities to achieve the targets.
