### STATEMENT RE FORMATION OF ANDHRA STATE

The Minister of Home Affairs and States (Dr. Katju): Sir. may I with your permission read a short statement relating to the formation of the Andhra State?

As the House is aware, Government have had under active consideration the question of the formation of the Andhra State. Mr. Justice Wanchoo, who had been appointed to consider and report on the financial and other implications of the formation of the State, presented his report on the 7th February, 1953. This report, and the matters dealt with therein, have been under the consideration of Government. It is hoped to make a statement before the House at an early date in regard to some of the important questions which have arisen and which have been the subject of some controversy.

The formation of a new State creates many problems, some of high policy and others of an administrative and financial nature which require careful consideration and consultation. It is not possible, at this stage, to decide in detail about all these problems, but it is hoped that some of the major decisions will be made and placed before the House at a very early date.

Government are committed to the formation of the new Andhra State in
