Removal of India's Name under provision of Super 301

330. **SHRI MADHAVRAO SCINDIA:** Will the Minister of COMMERCE AND TOURISM be pleased to state:

(a) whether efforts were made to ensure that the name of India is removed from the US trade list under Super 301, provision of US Trade and Competitiveness Act;

(b) if so, the details thereof and further steps proposed to be taken in this regard; and

(c) US Government's response thereto?

THE MINISTER OF COMMERCE AND TOURISM (SHRI ARUN KUMAR NEHRU):

(a) to (c). Our strategy has been to put as much international pressure as possible to deter the USA from pursuing the path of unilateralism. This is being done by taking up the matter in the meetings of the GATT Council and the Uruguay Round Negotiating Groups as well as in the Surveillance Body established under the Uruguay Round to voice our concerns. We are also eliciting support from other countries bilaterally, whenever there is an opportunity India's stand has received wide support and the US action has been criticised by both developed

and developing countries. US Government have not yet approached us for negotiations in the context of Super 301 decision. We have, however, made it clear that Government of India will not participate in any negotiations, bilateral or otherwise, under threat of retaliation. Government is also opposed to negotiations establishing linkages between multilaterally agreed concessions in trade in goods and changes in policy lying within the domain of autonomous national economic policies.

No further action has so far been taken by the US Government since the initiation of investigation in June, 1989.

Closing of Mines in Tribal Districts of Orissa

331. **SHRI ANADI CHARAN DAS:** Will the Minister of COMMERCE AND TOURISM be pleased to state:

(a) whether the Minerals and Metal Trading Corporation has reduced procurement of iron ore from non-captive mines for the purpose of export to the extent of fifty per cent or even more;

(b) whether several such mines have been forced to close down in the three tribal districts of Orissa; and

(c) if so, the steps proposed to be taken not to reduce the procurement of iron ore in order to avoid retrenchments there?

THE MINISTER OF COMMERCE AND TOURISM (SHRI ARUN KUMAR NEHRU):

(a) While procurement of iron ore by MMTC from Barajamada and Gandhamardan sectors was reduced in 1988-89 due to very high opening stocks which were sufficient to meet the export commitments during 1988-89, there is no reduction in procurement during the current year. MMTC has asked the mine-owners to supply as much of iron ore as possible.
