

प्रध्यक्ष महोदय : जो चार वहाँ हैं, उन की, या सब नागरिकों की, जो यहाँ पर हैं ?

श्री बेरवा : मैं यह जानना चाहता हूँ कि जो नागा नेता यहाँ पर हैं, चीनी हमले के सम्बन्ध में उनकी क्या प्रतिक्रिया देखी गई है। वे भारत के साथ हैं या विरुद्ध ?

Mr. Speaker: That is a different question.

श्री कछवाय : श्रीमन्, मैं यह जानना चाहता हूँ कि इस समय कितने नागा विद्रोही इंग्लैण्ड में हैं।

Shri Hem Barua: May I know if the Government is aware of the fact that these Naga leaders in London are taking up their anti-Indian campaign anew and that the Daily Express is helping them by publishing their charges against India? If so, may I know whether the Government has brought this to the notice of the U.K. Government?

Shri Jawahar'al Nehru: I have no particular knowledge of their propaganda activities there through the Daily Express. It is quite likely they are doing it. They have nothing else to do except to try to do propaganda as their course. But, I do not know whether the particular attention of the U.K. Government has been drawn to this or not.

Shri Sonavane: In view of these hostile Nagas working in Britain, has our High Commissioner been instructed to keep a watch on their activities so that we may be kept informed?

Shri Jawaharlal Nehru: It is the business of the High Commissioner to find out and report to us what these people are doing.

Shri Hem Barua: Has he?

Shri Basumatari: May I know what steps the Government will take against these Naga hostiles when they want to return?

Mr. Speaker: That would be hypothetical.

Shrimati Savitri Nigam: It was widely publicised that these Naga hostiles have refused to say that they are Indian citizens and they did not have any travel papers or any passport. May I know whether the Indian Government has ever enquired from the U.K. Government on what basis they were recognised as Indian citizens?

Mr. Speaker: That has already been answered: Next question.

Film Based on "Nine Hours to Rama"

†

*135. { **Shri D. C. Sharma:**
Shri Warrior:
Shri P. K. Deo:

Will the Minister of **Information and Broadcasting** be pleased to state:

(a) whether it is proposed to ban the film based on the book "Nine Hours to Rama"; and

(b) if so, the details thereof?

The Minister of Information and Broadcasting (Dr. B. Gopala Reddi): (a) The Board of Film Censors has not so far received any application for sanctioning the film for public exhibition in India.

(b) Does not arise.

Shri D. C. Sharma: May I know if any facilities were provided to the producers of this film in India and if so what kind of facilities were provided?

Dr. B. Gopala Reddi: This question was answered several times. Various departments were asked.

Shri D. C. Sharma: There is no harm in answering once again.

Mr. Speaker: There is some harm. If it has been answered so many times here, then they need not be repeated.

Shri D. C. Sharma: What I mean to say is, whether the hon. Minister.....

Mr. Speaker: It would have saved us some time if the answer had been given.

Dr. B. Gopala Reddi: The Union Public Service Commission were asked to give their premises for putting their film. The Minister of Finance was asked to give some facilities. The President's Secretariat, the Ministry of Railways, the Ministry of Defence, the Chief Controller of Imports and Exports, all these departments were asked to give some facilities; the Government of Maharashtra also.

Shri D. C. Sharma: This book has been banned. The film was produced in India. I think our country, perhaps the Information Department also helped them. May I know whether the Information and Broadcasting Ministry on its own is going to ban the exhibition of the film or not?

Dr. B. Gopala Reddi: We are awaiting their application for censorship. When we get it, we shall see what will have to be done. Why should we anticipate what is going to be done?

Shri Warrior: May I know whether the Government did scrutinise the script before it was allowed to be filmed in India and if so who scrutinised it?

Dr. B. Gopala Reddi: This was cursorily scrutinised some time ago. It is not the script that matters. There are many things that matter in censoring a film.

Shri Indrajit Gupta: Is the Government aware that after the book has been banned, it is still being sold in various Railway book stalls?

Mr. Speaker: We are talking about the film.

Dr. B. Gopala Reddi: I have no information. It is for the Home Ministry.

Shri Hem Barua: In view of the fact that this book particularly which has been banned, which I had the privilege to read, contains certain passages that go against India and all that, how far it is true to say as some people have said that this film is a departure from the book and may I know whether the Government is sure about it?

Dr. B. Gopala Reddi: As I have said, we have to see the picture before we can declare whether it is objectionable or not. It has not been shown to us so far. It has been shown to the High Commission in London.

डा० गोविन्द दास : जहाँ तक इस पुस्तक और इस फिल्म का सम्बन्ध है, भारतीय जनता की जो भावनाएं हैं, व क्या सरकार को मालूम हैं और अगर मालूम हैं तो इस सम्बन्ध में अभी तक कोई दरख्वास्त न आने पर भी, सरकार इस फिल्म के बारे में गम्भीरता से विचार कर रही है और कोई निर्णय लेने जा जा रही है ?

Dr. B. Gopala Reddi: We are asking the producers to show it to us when we can pass judgment about the film. They have not yet shown it to us. They have not made application to us so far.

श्री ए० ला० द्विवेदी : भारत सरकार को इस बात का पता है कि यह फिल्म "नाइन ब्रावर्ज टू रामा" पुस्तक के आधार पर बनाई गई है और यह पुस्तक निश्चित रूप से भारतीय जनता की भावनाओं को आघात पहुंचाती है। मैं जानना चाहता हूँ कि क्या फिल्म निर्माताओं के देश के राज्य से सरकार ने यह प्रार्थना की कि वह फिल्म भारत सरकार को दिखाय ताकि सरकार उस पर आपत्ति कर सके और फिल्म का दिखाया जाना संसार भर में बन्द किया जा सके ?

अध्यक्ष महोदय : बार बार उन्होंने कहा है कि सरकार देख रही है.....

श्री ए० ला० द्विवेदी : मैंने दूसरा सवाल किया है। मैं जानना चाहता हूँ कि वहाँ की

सरकार को हमारी सरकार ने क्या कुछ लिखा है कि वह फिल्म दिखाई जाए हमारी सरकार को? वह तो कह रहे हैं कि जब सेंसर बोर्ड के पास आएगी तब इसकी जांच होगी। लेकिन प्रश्न यह है कि सरकार ने क्या कोई प्रार्थना उनसे की है?

Dr. B. Gopala Reddi: We have definitely asked the producers to show it to us before they release it to the world: not only to India, but to outside countries also.

Shri Fatehsinhrao Gaekwad: May I know the grounds on which a film can be banned after the script has been approved by the Government?

Mr. Speaker: That must be contained in some literature available to the Members.

Dr. B. Gopala Reddi: The script might be approved. It does not mean that it has passed through the censors. There are so many things which have to be approved by the censors.

Mr. Speaker: He wants to know the grounds on which the film can be banned.

Dr. B. Gopala Reddi: It is not factual. It is outside the realm of facts. It might be some glorification of Godse perhaps. All these things have to be scrutinised.

Mr. Speaker: Next question.

क्या प्रधान मंत्री ६ अगस्त, १९६२ के अतारांकित प्रश्न संख्या ३६२ के उत्तर के सम्बन्ध में यह बताने की कृपा करेंगे कि हयात कमेटी ने दिल्ली-पंजाब राजस्थान उत्तर प्रदेश के क्षेत्र में अणु शक्ति उत्पादन केन्द्रों के लिये जिन दो स्थानों की सिफारिश की थी, उनके बारे में क्या निश्चय किया गया है?

वैदेशिक कार्य मंत्रालय में राज्य मंत्री (श्रीमती लक्ष्मी मीनन) : सरकार ने राजस्थान में कोटा के समीप राणा प्रताप सागर क्षेत्र में एक अणु शक्ति उत्पादन केन्द्र स्थापित करने का निर्णय किया है।

श्री भक्त दर्शन : दो स्थानों में से जो एक स्थान अन्तिम रूप से छांटा गया है इस का कारण क्या है, कौन सी विशेषतायें थीं उस स्थान में जिन के आधार पर उस को छांटा गया है?

प्रधान मंत्री तथा वैदेशिक-कार्य, प्रतिरक्षा तथा अणु शक्ति मंत्री (श्री जवाहरलाल नेहरू) : जो हमारी एक्सपर्ट कमेटी थी उस ने इस पर विचार किया और सब जगहें देख कर इस कठु फ़ैसला किया। अब मैं कैसे बता सकता हूँ कि क्या विशेषतायें थीं?

श्री भक्त दर्शन : हयात कमेटी ने जहाँ तक मुझे ज्ञात है दो स्थानों की सिफारिश की थी और उन में से एक को सरकार ने अन्तिम रूप से छांटा है। मैं जानना चाहता हूँ कि जो दूसरा स्थान है, क्या कभी उस पर भी चाहे चौथी योजना में या पांचवीं योजना में, कभी विचार किया जा सकेगा?

अध्यक्ष महोदय : पांचवीं योजना के बारे में इस वक्त कुछ कह दें, यह कैसे हो सकता है।

Shri Bhagwat Jha Azad: To what particular use and by when this station is likely to go into commission, could we have any idea?

Shri Jawaharlal Nehru: It is a civil station for production of power.
