

डा० राम सुभग सिंह : जो गैर-कृषि पदार्थ हैं और उनके मूल्यों में जो वृद्धि होती है उसके आंकड़े हम लोग रखते हैं और जिन चीजों के आंकड़े नहीं हैं उनको रखगे और कोशिश करेंगे कि दोनों में समानता रहे ।

Shri Inder J. Malhotra: May I know whether, in view of the present emergency, the Government have taken any steps to see that the prices of agricultural commodities do not either rise or fall above or below a certain level?

Mr. Speaker: The question was whether the prices would be linked up with those of the commodities manufactured by factories or not. Let us confine the questions to that point and not enlarge the scope. Shri D. C. Sharma,

Shri D. C. Sharma: May I know if the linking up of prices of agricultural products with those of industrial products has been done in any country of the world and, if so, in what way they have done it?

Dr. Ram Subhag Singh: Even here....

Mr. Speaker: The question is whether it has been done in any other country.

Dr. Ram Subhag Singh: In some countries it has been done and in respect of one or two items we have also done it here but not exactly of that nature.

Shri Bhagwat Jha Azad: Since the Government have accepted the principle of giving remunerative prices to the agriculturists compared to the factory commodities, how do the Government propose to link the prices? Do they want to leave it to the ordinary theory of demand and supply or are they taking some action?

Mr. Speaker: There is no proposal to link it up so far as I can understand. Shri Maheswar Naik.

Shri Maheswar Naik: May I know whether at the moment the higher prices of agricultural commodities have any relation whatsoever to the rise in prices of commodities manufactured in the factories?

Mr. Speaker: That is a different question.

Shri Ranga: Am I to understand that it is the policy of the Government to see that there is not too much of divergence between the price level of industrial goods and that of agricultural goods?

Dr. Ram Subhag Singh: Yes; that will be our effort.

श्री यशपाल सिंह : क्या सरकार को यह पता है कि स्वर्गीय श्री रफी अहमद किवर्द इस फारमूले को मान चुके थे कि अगर एक रुपये मन शक्कर की कीमत बढ़ेगी तो १ आना मन गन्ने की कीमत बढ़ेगी ?

अध्यक्ष महोदय : आपने कुछ पूछ न कर उलटे एनफारमेशन दे दी है ।

श्री रामसेवक यादव : खेती की उपज और कारखाने की उपज के दामों में सन्तुलन कायम करने का क्या सरकार के पास कोई फारमूला है अथवा कोई ऐसी चीज है जिस पर कि विचार किया जा रहा है, यदि हां, तो उस पर कितना समय लगेगा ?

डा० राम सुभग सिंह : अभी मैंने बतलाया कि कोई निश्चित फारमूला अथवा कोई खास निश्चय इस सम्बन्ध में नहीं हुआ है लेकिन ऐसी व्यवस्था हम लोग करेंगे ताकि भविष्य में किसानों को उनके पदार्थों की वाजिब कीमत मिले ।
