

Lucknow recently suggested certain measures to give education a national bias as also an emergency bias? If so, have Government considered these suggestions by these two bodies?

Dr. K. L. Shrimali: Our education, as far as I am aware, has already a national bias and necessary steps have been taken to orient the educational system to meet the present emergency.

श्री बड़े: अध्यक्ष महोदय..

अध्यक्ष महोदय: अगर बड़े साहब इस तरह घबड़ाते रहेंगे तो उनकी बारी नहीं आएगी ।

श्री बड़े: म दो बार खड़ा हो चुका हूं ।

अध्यक्ष महोदय: आप चाहे चार बार खड़े हों लेकिन मैं चाहूंगा तभी बुलाऊंगा ।

Shrimati Renu Chakravartty: The statement says that laboratories and workshops and other facilities in educational institutions are being intensively used for the training of personnel in different occupational and vocational skills. In view of the fact that we are very short of scientific personnel, in what particular way have we decided to increase the number of such personnel in this emergency beyond what we were doing for the general higher secondary courses?

Dr. K. L. Shrimali: It will be very difficult for me to give details with regard to each State. This is a general directive which has been sent to the State Governments. If the hon. Member wants information about any particular State or about any particular institution, I shall be very glad to supply it, but it is very difficult for me to give the picture for the whole of India about workshops, laboratories etc. I can only give a general statement which I have given.

श्री बड़े: मैं पूछना चाहता हूं कि डिफेंस की विशेष परिस्थिति को ध्यान में रखते हुए केन्द्र ने कितना परसटेंज इनक्रीज करने का

निश्चय किया है, और राज्यों को क्या डाइरेक्टिव भेजा है ?

डा० का० ला० श्रीमाली : जहां तक फिजिकल एजुकेशन के प्रोग्राम और नेशनल डिसिप्लिन स्कीम का सम्बन्ध है, केन्द्र ने इनके पूरे खर्च की जिम्मेदारी ली है । इस पर लगभग पांच करोड़ रुपये खर्च होगा, मुझे ठीक याद नहीं है । इसके अलावा जो भी दूसरी योजना है उसम योजना के मुताबिक राज्य सरकारों को सहायता दी जाएगी ।

National Discipline Scheme in Secondary Schools

+
*436. { Shri Sidheshwar Prasad:
Shri Hari Vishnu Kamath:
Shri D. C. Sharma:

Will the Minister of Education be pleased to state:

(a) whether Government have considered the question of extension of the National Discipline Scheme to all Secondary Schools in the country; and

(b) if so, with what result?

The Parliamentary Secretary to the Minister of Education (Shri M. R. Krishna): (a) Yes, Sir.

(b) An Emergency Scheme of Physical Education and National Discipline has been formulated which seeks to coordinate the existing National Discipline Scheme with the good points from the existing programmes of Physical Education and A.C.C. About 6450 fresh N.D.S. Instructors are to be employed and trained by the N.D.S. Directorate under this Scheme. Besides, arrangements are being made to reorient existing Physical Education Teachers and National Discipline Scheme Instructors to the requirements of the Integrated Emergency Programme. When the training of all these personnel is completed the programme is expected to cover all students from Classes VI to XI numbering about 1.02 crores.

श्री विठ्ठेश्वर प्रसाद : यह जो योजना लागू की जाने वाली है उस पर कितना लागत खर्च पड़ेगा ?

Mr. Speaker: What is the expenditure involved?

Shri M. R. Krishna: It is proposed to spend about Rs. 6 crores on this scheme.

Shri D. C. Sharma: It is stated that teachers are to be trained in physical Education and National Discipline. May I know what will be the duration of this training, what it is going to cost the Government of India and whether the money will be spent over all the States and Union Territories of India?

Shri M. R. Krishna: There are 15,000 physical education teachers in the various schools in the country. In addition to that, we have got 3,200 instructors under the National Discipline Scheme. All these people will be made to undergo an orientation course for 6 to 12 weeks. As I said, we will spend about Rs. 6 crores on this scheme.

श्री जगदेव सिंह सिद्धान्ती : आपत्काल को देखते हुए क्या सरकार जो कार्य अलवर में जनरल भोंसले के निरीक्षण में चल रहा है, उसको और स्थानों पर भी लागू करने का विचार कर रही है।

Shri M. R. Krishna: Yes, Sir, Under this scheme we will be starting very many centres to cover the entire country.

Shri Heda: In view of the fact that the scheme costs only about 15 nP. per student per year, is not Government contemplating to make it compulsory in all the States?

Shri M. R. Krishna: Just as we are thinking of having the NCC compulsory in the colleges, this scheme also will become compulsory in the high schools

श्री यशपाल सिंह : क्या यह सही है कि अलवर में चलने वाले नेशनल डिस्प्लिन स्कीम के मातहत राइफल ट्रेनिंग नहीं दी जाती, बल्कि इस एजुकेशन का ज्यादातर समय कल्चुरल प्रोग्राम में चला जाता है ?

Shri M. R. Krishna: Under this scheme, we will be laying more stress on the physical efficiency side.

Shri Yesh Pal Singh: Without rifles?

Mr. Speaker: Order, order.

श्री कछुवाय : क्या मैं जान सकता हूँ कि यह योजना सभी राज्यों में कब तक पूरी तौर से लागू हो जाएगी।

Shri M. R. Krishna: By the end of June, 1963 we are hopeful of training all these people. After that, we may be able to take up the others.

श्री प्रकाशवीर शास्त्री : क्या मैं जान सकता हूँ कि इस राष्ट्रीय अनुशासन योजना की लोकप्रियता को ध्यान में रखते हुए शिक्षकों की अधिक आवश्यकता पड़ेगी ? क्या उसके लिए अलवर के अतिरिक्त भारत वर्ष में और भी कोई शिक्षण केन्द्र खोलने का निरवध किया गया है ?

श्री० का० ला० श्रीमाली : जसा कि अभी मेरे साथी ने बताया, कई केन्द्र खुल रहे हैं अलवर के अलावा और दो तीन वर्षों में जितने भी इन्स्ट्रक्टर हैं उनकी ट्रेनिंग हो जाएगी और अनिवार्य रूप से इस योजना को स्कूलों में लागू किया जायेगा।

Oil and Natural Gas Commission
