Title: Regarding allocation of funds for development of Bhongir Fort in Bhongir Parliamentary Constituency, Telangana -laid.

SHRI KOMATI REDDY VENKAT REDDY (BHONGIR): I would like to draw the kind attention of the Government towards the need to allot funds for development of Bhongir Fort including laying of Cable Car (ropeway) which falls in my Bhongir parliamentary Constituency in Telangana State. I would like to state that Bhongir fort structure has magnificent history and tourism department and adventure enthusiasts offer special trekking tours to ascend the fort and it is connected well by roads and train. It is located from 48 kms from State capital-Hyderabad. Telangana State proposed to lay a Cable Car (rope way) to the fort for the tourists and tender was floated and again in the year 2016. The 2nd tender floated has been put on back burner and there is no progress.

I request the Hon'ble Minister of Tourism, to kindly intervene in the matter and take up the project at the Central level.
