Title: Regarding construction of an under pass or level bridge at Shyampur in the Sealdah Diamond Harbour line-laid.

**SHRIMATI PRATIMA MONDAL (JAYNAGAR):** I would like to take this opportunity to express the pain of the people of Shyampur which falls under my parliamentary constituency area. The said region is in urgent need of either a level crossing or an underpass road. This is so because the only mode of crossing the railway line is literally by foot. This is a major cause of concern for people of all age groups more specifically children, pregnant women and senior citizens. Due to the absence of a proper means of crossing the railway line, numerous accidents have taken place. They have resulted in severe outcomes and unfortunately death in some cases. Thus, I would sincerely request the Minister to build an underpass or level bridge at Shyampur which is located between Dhamna and Uttar Radhanagar Railway Station at Sealdah Diamond Harbour line. The post number of the same being 331/9 and pillar number being 351/7.
