Title: Regarding construction of 6 lane elevated corridor from Tambaram to Chengalpattu and 8 laning from Chengalpattu to Tindivanam section of NH -45 in Tamil Nadu-laid.

DR. T. R. PAARIVENDHAR (PERAMBALUR): I would like to urge upon the Union Ministry of Road Transport and Highways through you to start the construction of 6 lane elevated corridor from Tambaram to Chengalpattu and 8 laning *from* Chengalpattu to Tindivanam section of NH - 45 in the state of Tamil Nadu. Our Hon'ble Minister announced this project proposal on February 2018. Till now DPR is under process. I request to expedite the DPR and the concerned Ministry should take action floating tender. Moreover no Land Acquisition is required for this elevated corridor project from Tambaram to Chengalpattu. Eight laning work of NH- 45 from Tambaram to Paranur toll gate near Chengalpattu is in progress. Likewise, I request the Ministry to take necessary action for widening the NH-45 from Chengalpattu to Tindivanam into eight lane. I also request the Ministry to provide a expressway from Chennai to Madurai via Trichy like the Chennai to Bangalore expressway presently planned. As a result of it, heavy commercial traffic would be benefited to a large extent and the fuel consumption gets reduced considerably if expressway is formed.
