Title: Request for re-opening of Terna Shetkari Cooperative Sugar mill in Osmanabad Parliamentary Constituency, Maharashtra.

**\*SHRI OM PAVAN RAJENIMBALKAR (OSMANABAD):** Hon. Chairman Sir, thank you. Sir, I would like to draw the attention of Hon. Labour Minister towards an important issue relating to my constituency. Terna Shetkari Sahakari Sakhar Karkhana was established in the year 1978 which has got 35000 members and around 1500 workers are working in this sugar mill. This sugar mill is currently under liquidation process and District Central Co-operative Bank had issued a tender to lease it out . But, due to the uncleared dues, this tender could not be floated. If this mill gets started again through the deposits it receives, the provident fund dues can be deposited. In this way, PF dues would get cleared and the mill will start functioning.

Secondly, due to sufficient rainfall this year, the cultivation area of sugarcane has been increased and sugarcane crushing season would get started only when this sugar mill starts functioning once again. We have already met Hon. Labour Minister in this connection and through you, I would like to request Hon. minister again to look into the matter urgently so that this sugar mill starts functioning immediately through a long-term lease deed.

Thank you.
