Title: Regarding law and order situation in Maharashtra.

***SHRI RANJEETSINHA HINDURAO NAIK NIMBALKAR (MADHA):** Hon. Chairman Sir, kindly permit me to speak in my Marathi Language. Sir, there is a serious law and order situation in Maharashtra. Police department is acting like a slave in the hands of the ruling class. Some are bribing to get plum postings and others are planting bombs somewhere. Even minister's name is involved in a woman harassment case and crimes against women are on the rise. Hon. Chief Minister of Maharashtra does not want to meet anybody. I have also read a news from the newspapers that Home Minister is asking for 100 crores from Police Department. Some kind of CDs have also come to light. In this way, the law and order situation is deteriorating day by day.

In addition to this, Maharashtra stands at number one position in terms of corona patients. At present highest number of patients are in Maharashtra. But in terms of law and order situation, it is at the lowest position.

Hence, through you Sir, I would like to request the central government to take a serious note of it and dismiss the State government of Maharashtra immediately.
