Title: Need to establish a Passport Seva Kendra at Punalur, Kollam district, Kerala-laid.

SHRI N.K. PREMACHANDRAN (KOLLAM): Punalur is an important station in Kollam and there is demand for establishment of Passport Seva Kendra. Number of people travelling abroad for their employment, study and visit is comparatively high in this region. People from the eastern region of Kollam District is facing difficulties due to lack of Passport Seva Kendra at Punalur. They have to travel long distance to reach the Passport Seva Kendra at Kollam and Thiruvananthapuram. Establishment of Passport Seva Kendra at Punalur is a long pending demand from the people of eastern region in Kollam District.

Hence I urge upon the Government to initiate action for establishing a Passport Seva Kendra at Punalur.
