Title: Regarding price rise of Petrol and disel in Covid-19 pandemic time

SHRI HIBI EDEN (ERNAKULAM): Hon. Speaker Sir, the fuel price rise has been one of the highest in the history of India. This is a very important issue. In the era of Covid-19 pandemic, the common people are suffering a lot and the Government of India is expecting Rs. 2,60,000 crore as a hike in the excise duty.

माननीय अध्यक्ष: आप बजट में इस विषय को रख दीजिएगा ।

SHRI HIBI EDEN: The excise duty is Rs. 50 for one litre of petrol and diesel. The excise duty has to be reduced and the common man, in this period of COVID-19 pandemic, have to get fuel at a very cheap rate. Globally, even countries which are behind India has reduced the petrol price. This is a very important issue on which the Government should intervene.

माननीय अध्यक्ष: माननीय सदस्यगण, आप सबको मैंने रात 1 बजे तक सदन चलाकर पर्याप्त समय व अवसर दिया है । आपके जो अन्य कई विषय बजट पर हैं, उसके लिए भी मैं पर्याप्त समय आपको दूंगा । श्री हसनैन मसूदी जी ।
