Title: Need to take steps for safe return of missing Indian Nationals from Libya.

SHRI RAM MOHAN NAIDU KINJARAPU (SRIKAKULAM): Thank you, hon. Speaker, Sir, for giving me the opportunity. I, on behalf of my party, would also like to thank you for taking good care of each and every one of us and also for running of the House smoothly.

Sir, three people from Seethanagaram Village, Naupada, Santhabommali Mandal in my constituency went to Libya to work as welders in Al Shola Al Modea company during October 2019. On expiry of their work visa, they booked their return tickets to India on 13th September, 2020. They started from Benghazi to Tripoli airport in Libya by road. Later, they were found missing and have not come into contact with their family members. It has been 10 days till now. The family members have been worrying for their safety and whereabouts.

The names of these people are Boddu Danayya, Batchala Venkata Rao and Batchala Joga Rao. Keeping in view the agony of their families, I request the hon. Minister of External Affairs to kindly initiate the necessary efforts through our Indian Embassy in Libya to trace out the above missing persons and ensure their safe return to India. Thank you.
