Title: Regarding need to provide better hospital amenities in the wake of the rising number of corona positive cases in Nasik, Maharashtra.

**DR. BHARTI PRAVIN PAWAR (DINDORI):** Thank you, hon. Chairperson Sir, for giving me this opportunity.

Sir, I wish to bring to your notice that the number of Corona positive cases in Nashik district is increasing at an alarming rate with each passing day. There is a big shortfall in supply of oxygen and beds in the District Hospital at Nashik. My humble request is to kindly consider taking a fresh ground report from the Central squad at the earliest, arrange extra beds at District Civil Hospital, and Rural Hospital at the earliest, and take the needful measures so that the patients can be given proper medical care. Please consider this request at an urgent basis since the condition is serious in the Nashik district.

Hon. Chairperson Sir, through you, I would request the Health Ministry to help in this serious matter at the earliest. Thank you very much.
