Title: Regarding CBI investigation in Antharvedi Temple issue in Andhra Pradesh.

SHRI KURUVA GORANTLA MADHAV (HINDUPUR): Thank you very much, Mr. Speaker, Sir. Since the beginning of this Session, we have been asking for a CBI enquiry on Shri Chandra Babu Naidu, but in vain.

During this tough time, we, the people of Andhra Pradesh, combated with COVID-19 under the dynamic leadership and administration of our CM, Shri Jagan Mohan Reddy. But, day by day, it is becoming difficult with the venomous attitude of Shri Chandra Babu Naidu, who is more dangerous than COVID-19, as he is behind all the litigation and conspiracy happening in Andhra Pradesh right now.

Unless and until, CBI investigation is instituted on Shri Chandra Babu Naidu to probe his hidden conspiracy in Antharvedi issue, CRDA and also Fibernet, the progress of the State will be at crossroads.
