Title: Providing financial help to cyclone hit Raigad and Ratnagiri districts of Maharashtra.

***SHRI SUNIL DATTATRAY TATKARE (RAIGAD)** : Hon'ble Chairman Sir, cyclone hit on 3rd June, 2020, the Raigad and Ratnagiri districts of Maharashtra and due to this heavy financial losses had incurred. Hon'ble Prime Minister had promised our Hon'ble Chief Minister that the Union Government would help in this calamity. The State Government has already given Rs 550 crore in this regard but the NDRF did not change their modalities to provide assistance. Lord Ganesh Idol artisans who sculpt very fine Ganpati idols also need your help. They also suffered losses and a special package should be given to them. Fishermen, coconut and betal-nut cultivators also need financial help. Mumbai-Goa highway also needs repair and maintenance as it is in very bad shape. An NDRF base camp should be set up at Mahad as per proposal, as these kind of calamities occur repeatedly in this area. Thank you very much for giving me this opportunity to speak. Jai Hind. Jai Maharashtra.
