Title: Need for super fast train or Duranto train from Kutch to Delhi.

**\* SHRI VINOD LAKHAMSHI CHAVDA (KACHCHH):** Hon. Speaker Sir, first of all, I thank you very much for giving opportunity to the Members to speak in their native languages. I think this will also be considered as a record in this Session. Hon. Speaker Sir, I want to thank the Ministry of Railways that amid the prevailing corona pandemic in our country and in the world, the Ministry is running special trains in the country. First of all, I would like to thank the Rail Ministry and the minister of railways that just yesterday one special train was announced from my Parliamentary constituency Kutch to Mumbai. Sir, there are good business relations between Kutch and Mumbai. Many trains are running between these two stations. But it is a demand of the people of my constituency to get one more super special train. Hon. Speaker Sir, through you, I want to submit that only one train is running between my parliamentary constituency Kutch and Delhi since many years i.e. Bhuj - Bareilly Express. Moreover, this train takes much travelling time and this causes inconvenience the passengers. Sir, through you I request to the Ministry of Railways to start one super fast train or Duranto Express train. Thank you.
