Title: Seeking reports of burglary incidents in the Houses of Indian Army Personnel. in Tamil Nadu

***SHRI P. KARTI CHIDAMBARAM (SIVAGANGA):** Hon. Speaker Sir, We have high regards for all the soldiers working in Indian Army. It is our prime duty to protect their families. But, in my Sivaganga constituency two months ago, the house of an Army Soldier named Stephen was burgled; his mother and wife were killed; and their money and jewels were taken away. One week after this incident, there was another incident of burglary in the house of an Ex-soldier of the Air Force in my constituency. The Tamil Nadu State police so far have not arrested anyone in connection with these burglaries. I urge upon the Hon. Minister for Defence, through you Sir, that a report on these incidents should be sought immediately from the State Government of Tamil Nadu and the culprits should be brought to book and arrested. As we have high regards for our Armed Soldiers, we are duty-bound to protect their families as well. Thank you.
