Title: Regarding the various teachers recruitment tests in Odisha.

ER. BISHWESWAR TUDU (MAYURBHANJ): Thank you, hon. Speaker, Sir.

The integrated B. Ed. And M. Ed. programmes are being taught in the four universities of Odisha such as North Odisha University, Fakir Mohan University, Surendra Sai University and Rajendra College. Till now, 50 students have come out successfully and 150 students have been enrolled in this programme. However, the matter of regret is that they are deprived of appearing in B. Ed. and M. Ed. related eligibility examinations such as OTET or SSTET and CTET. In this context, the Government of Odisha has asked the NCTE for clarification whether they are eligible to be teachers in the elementary and secondary schools and can be allowed to appear in various teachers' recruitment tests as mentioned but no action has been taken as yet. I would like to request the hon. Minister through you to take immediate appropriate action in this regard. Thank you.
