Title: Regarding creation of a new Railway Division at Badarpur, Karimganj, Assam-laid.

**SHRI KRIPANATH MALLAH (KARIMGANJ):** I have the honour to draw the kind attention of the hon. Minister and personal intervention towards the very old public demand for creation of a new Railway Division at Badarpur in the district of Karimganj, Assam in my constituency karimganj. In my opinion, one new Division at Badarpur is necessary as the Lumding Railway Division was created long back perhaps in the year 1969. During the last forty years, Railway lines have been expanded to Tripura, Mizoram and being extended to Manipur. Number of passengers and goods trains have also considerably increased. In view of the above, I urge upon the Union Minister to kindly look into the matter and make necessary arrangements to materialise the long pending public demand of Karimganj.
