Title: Regarding modernization and upgradation of railway stations under Adarsh Station Scheme-laid.

SHRI K. MURALEEDHARAN (VADAKARA): I would like to raise matter regarding modernisation/upgradation of three Railway Stations belongs to my Constituency Thalassery, Vadakara and Koyilandy stations under Adarsh Station Scheme. 1) Thalassery Railway was established during the British Period. This station is situated in the vast area of land have extend upto 50 acres and also Kannur International Airport is 25 KM away from Thalassery Railway Station and well connected with wide spacious road. Kannur. Many basic amenities required this Station and also two Flat form without roofing. 2) Vadakara Railway Station development work is very slow and basic amenities are very poor in the railway station.3) Koyilandy Railway station is also one of the important station without proper passenger amenities. I therefore request to the Hon'ble Railway Minister for upgradation and modernization under Adarsh Scheme in the above railway Stations.
