Title: Regarding deleting entry relating to wild boars/wild pigs from Schedule III of the Wild Life Protection Act- Laid

SHRI K. SHANMUGA SUNDARAM (POLLACHI): Pollachi Parliamentary Constituency is spread over nearby Tiruppur, Dindigul and Coimbatore Constituencies. The wild boar or wild pig from the western Ghats entered Udumalpet, Pollachi and Palani and destroyed thousands of acres of agriculture lands and attacked the villages. Wild Pigs cannot be killed as per Wild Life Protection Act vide Schedule III entry number 19. Secondly, it is very difficult for villagers to fight these animals because they come in groups. In view of the facts placed before the August House, I request the Government to remove the entry relating to Wild Boars / Wild Pigs from Schedule III of the Wild Life Protection Act to save the crops and the human beings.
