Title: Regarding bringing back the Indian students who are stuck at the airport of other countries due to corona virus outbreak.

**SHRI MARGANI BHARAT (RAJAHMUNDRY):** Thank you Speaker, Sir. Today, I would like to bring to the notice of this House that the Indian Embassy in Manila has stopped responding to the students who are there at the airport.

Today, I happened to call a couple of students and they have mentioned this fact that the University is almost 80 kms. away from the airport and the local transport is also stopped. Who is going to take care of those students? Our country has banned somewhere around 27 countries because of Coronavirus. What kind of measures are being taken by us for the students who are stuck at the airports in those countries?

My suggestion to this House would be that as we are having quarantine facilities, why we cannot bring back all the students to our country and lodge them in these quarantine facilities so that students and their families will be happy. What would be the fate of those students after 31<sup>st</sup> March? Something has to be spelt-out from the Government of India side in terms of the situation being faced by those students. We have to take care of the students and their parents also, and some sort of message has to be given to all the people in the country. The hon. Prime Minister should take initiative in addressing the safety of those students. This is my humble request to the Government of India, that is, to take this initiative.

**\*DR. HEENA VIJAYKUMAR GAVIT (NANDURBAR):** Speaker Sir, on 17<sup>th</sup> March, 2020, we suffered a great loss due to heavy rainfall and gusty winds in the Shirpur taluka of Dhule district in my Parliamentary constituency of Nandurbar. A resident of Shirpur named Shri Rajendra Mali, aged 55 years died after a sheet of tin fell on him. Almost 3230 farmers have been affected in as many as 44 villages. The District Administration is carrying out the assessment work.

I would like to request the Government through you Sir that compensation should be given to these farmers at the earliest and adequate financial assistance should also be provided to the families of the deceased.

**माननीय अध्यक्ष:** श्री कुलदीप राय शर्मा को डॉ. हिना विजयकुमार गावीत द्वारा उठाए गए विषय के साथ संबद्ध करने की अनुमति प्रदान की जाती है।
