Title: Need to expedite construction of Ramganj Mandi-Bhopal railway line.

SHRI DUSHYANT SINGH (JHALAWAR-BARAN): The Ramganj Mandi-Bhopal train line had been sanctioned long time back but the work is not progressing and the train line has reached only up to Jhalawar. The major portion of the line from Jhalawar to Bhopal is still pending and getting delayed repeatedly. Sir, in my constituency of Jhalawar-Baran, the organic farming of oranges and coriander is undertaken on a large scale and is expected to grow more in future. This train line post completion will help the farmers and traders of my constituency to market their produce and help them prosper by fetching fair market prices for their produce.

I, therefore, urge the hon. Railway Minister to expedite the construction of the railway line.
