Title: Request the government to allocate funds for good quality sports infrastructure for aspiring sportspersons in Araku Parliamentary Constituency.

SHRIMATI GODDETI MADHAVI (ARAKU): Hon. Speaker, Sir, I would to bring to the kind notice of the hon. Sports Minister that I represent Araku Parliamentary Constituency, which is a reserved Constituency in Andhra Pradesh. A majority of the people there belongs to the tribal community. Due to natural factors, there is a lot of potential for promising sportspersons in my Constituency, especially young school children and youth. However, there is no adequate training facilities especially, stadiums to practise.

In this regard, I would like to request the hon. Sports Minister to kindly sanction enough funds to our State Government of Andhra Pradesh so that good quality infrastructure can be created in the form of better stadiums for use of aspiring sportspersons in my Constituency. Thank you.
