Title: Regarding setting up of an IT park at Viluppuram in Tamil Nadu - Laid.

SHRI D. RAVIKUMAR (VILUPPURAM): Viluppuram Lok Sabha Constituency has several Engineering colleges and producing thousands of engineering graduates every year. It is also well connected by Road with NH 45 with Chennai and by NH 234 with Mangalore Railways- with fully electrified double BG line and Airways-airport at Pondicherry (40 KMs).

An IT park should be set up at Viluppuram to boost the economic activity and employment opportunity.The neighbouring Kanchipuram district has already become one of the hubs of IT industries.It can be easily expanded to Viluppurarn.
