Title: Need to provide a special economic package for the development of Tiruvannamalai Area.

**SHRI C.N. ANNADURAI (TIRUVANNAMALAI):** Sir, I am thankful to you for giving me this opportunity.

The economy of Tiruvannamalai Parliamentary Constituency is mainly agrarian based. Water scarcity in that area affects agricultural production. There is no industrial set up in that area. This constituency is also backward and people are largely unemployed. Even the tourism sector in that area has not picked up due to infrastructural constraints. In order to boost the economy of my constituency, industrial development may be given priority.

I, therefore, seek intervention of hon. Finance Minister to extend a special economic package for the development of Tiruvannamalai area.
