Title: Regarding construction of two flyovers on NH 66 between Tindivanam and Krishnagiri in Tamil Nadu .

**DR. A. CHELLAKUMAR (KRISHNAGIRI):** Respected Sir, I would like to draw the attention of the hon. Minister through you regarding NH66.

Sir, NH 66 extends from Tindivanam to Krishnagiri via Thiruvannamalai. It was sanctioned by the Congress Government with all approvals. Work commenced rapidly and was progressing. Unfortunately, work came to standstill for the last five years and the contractor left the job in the middle for the non-cooperation of State Government for unknown reasons. After so much of requests and various representations, re-tender has been called for and work order has been awarded to a particular firm. The firm has not yet initiated the work. Delaying the work has become the practice of that firm. The public are put to hardship. This road connects the world pilgrim town of Thiruvannamalai. Lakhs of people commute in this road.

I request the hon. Minister through you Sir to intervene and expedite the work with a time bound schedule without further time extension to avoid the budget escalation in future.
