Title: Regarding setting up of a satellite centre of AIIMS at Sambalpur in Odisha -laid. .

**SHRI NITESH GANGA DEB (SAMBALPUR):** People of my Parliamentary Constituency Sambalpur in the State of Odisha have been deprived of qualitative medical facilities and treatment in the absence of AIIMS like institute at Sambalpur. The AIIMS of the state of Odisha was established in the year 2012 at the state capital Bhubaneswar. As per the rule of the Ministry of Health and Family Welfare, Government of India there cannot be a second AIIMS in the said state. Sambalpur is located in the western region of the state. Being the commercial and industrial hub and also the cultural and educational centre of the entire western Odisha, I urge the Ministry of Health and Family Welfare to set up a satellite centre of AIIMS at Sambalpur during the year 2020-21.
