Title: Request to expedite and complete the work of construction of two-laning of Tindivaram-Krishnagiri section of National Highways No. 66 and 77.

**SHRI C. N. ANNADURAI (TIRUVANNAMALAI):** Hon. Speaker, Sir, the work of two-laning of Tindivaram-Krishnagiri section of National Highways 66 and 77 in Tamil Nadu started in the year 2012 but it is yet to be completed. In the reply to my question on 18<sup>th</sup> July, 2019, hon. Minister of Road Transport and Highways informed the House that the contract for remaining work has been rewarded on 29<sup>th</sup> May, 2019 with scheduled completion period of twenty months from the date of commencement.

The road is the main approach road to the temple city of Tiruvannamalai through which lakhs of pilgrims reach the town for Darshan and Girivalam of Lord Arunachaleshwar. I would like to bring to the notice of the august House that the remaining construction work has not started till today. I, therefore, urge upon the hon. Minister of Road Transport and Highways to direct the authorities concerned to expedite the work and complete the construction of that road within the scheduled period.
