Title: Regarding the construction of a Railway Overbridge in Vaniyanpadi.

SHRI D.M. KATHIR ANAND (VELLORE): Hon. Chairperson, Sir, thank you for giving me this opportunity to raise a matter of urgent public importance.

In my Vellore Parliamentary constituency, there is an assembly segment by name Vaniyampadi. There has been a long-pending demand for a Railway Overbridge which is called the New Town bridge in the area. The school and college students, the pedestrians as well as the people commuting on vehicles find it difficult to cross the railway line. This project was started many years back but for various reasons including political reasons, the project was put down and now, the trespassers and the vehicle commuters are finding it difficult to cross the bridge.

Therefore, I request the Government to take immediate steps to construct the railway overbridge which will result in lesser traffic and Vaniampadi also will be benefitted by it.
