Title: Need to provide funds for payment of wage dues under MGNREGA. - laid

SUSHRI S. JOTHIMANI (KARUR): The people in the rural areas of Tamil Nadu and across the country are facing a lot of problems due to more than 6 months delay in payment of wages under MGNREGA.

There is severe fund shortage under MGNREGA in the states. Payment to MGNREGA workers has been stopped for the last six months.

I urge the Central Government to provide adequate funds for MGNREGA wages to the state governments at the earliest.
