Title: Regarding issue of transfers of the Central Government employees just few years before their retirement.

**SHRIMATI CHINTA ANURADHA (AMALAPURAM):** I would like to speak on the issue of transfers of the Central Government employees just few years before their retirement. All the employees may not toil through offices in the last few years of their journey towards retirement. We come across so many requests for considering an option in this regard. I request the Central Government to consider their request by giving them an option to serve their respective offices whole heartedly in the last three to four years of their service keeping in view their health conditions to work peacefully. Sir, I do agree that this system already exists, but I would like the Government to make it mandatory in regard to Central Government employees.
