Title: Need to set up a new Kendriya Vidyalaya in Jangipur Parliamentary Constituency and also hike the number of nominated students-laid.

SHRI KHALILUR RAHAMAN (JANGIPUR): Education is the foundation for the development of any society. Kendriya Vidyalaya plays an important role in providing quality and standardized education across the country. There is an urgent need for a new Kendriya Vidyalaya in the Jangipur Parliamentary Constituency to serve a large section of students from nearby localities. Although there is one KV in Berhampore, it's nearly 70 to 100 km away and serves a huge population of three Parliamentary Constituencies of Murshidabad District. Proximity is a big issue here. Moreover, every year each member of the Parliament is entitled to nominate ten students for admission to Kendriya Vidyalaya. There is a need to hike the number of nominated students from ten to at least twenty-five. I would request the Hon'ble Minister of Education to look into the matter and issue necessary directives to implement the above two demands for the sake of deprived students who will be the future of our country.
