Title: Need to address problems faced by nurses working in private hospitals-laid.

**ADV. ADOOR PRAKASH (ATTINGAL) :** I wish to draw the attention of the Government towards the issues relating to the nurses working in private hospitals across the country. Nurses in private sector are working in miserable conditions and getting low wages. According to the direction of the Hon'ble Supreme Court of India in 2016, Union Government had constituted an Expert Committee under Dr. Jagadish Prasad to study the issues of nurses. The Committee submitted its report in 2016 itself and the Central Government directed every State and Union Territory to implement the suggestions. But so far, no State Government and Union Territory has taken any initiative on this directive. I request the Government to take immediate measures for implementation of the report to end their exploitation.
