Title: Request to implement the Ayushman Bharat Yojana in West Bengal so that people of West Bengal get proper medical treatment.

SHRI SUKANTA MAJUMDAR (BALURGHAT): Sir, thank you very much for giving me the opportunity to speak. I would like to change my submission, if you accord permission. I would like to draw the attention of the House and Minister, regarding Ayushman *Bharat Yojana*, which is not implemented in my State, West Bengal. Due to the decision of the State Government, a lot of people are now facing severe problems. They are not getting proper treatment in West Bengal. They cannot afford treatment in private hospitals.

So, I would like to request the concerned Ministry, through you, Sir, to take appropriate measures so that people of West Bengal can avail of some sort of economic help. Although *Pradhan Mantri Relief Fund* is extended to people of the country but the same is not sufficient for the people of West Bengal. That is the reason why I urge the Government to take necessary steps so that people of West Bengal get the chance for proper treatment, which I think is their constitutional right.
