Title: Regarding a railway line from Whitefield to Chittoor via Mulabagale in Karnataka.

**SHRI S. MUNISWAMY (KOLAR):** Rail and road connectivity is the basic need for transportation of agricultural products and natural resources. Development of an area is also linked with rail and road connectivity. Due to shortage of rail and road connectivity in Kolar area, the development and transportation has been affected. A railway line from Whitefield to Chittoor via Mulabagale will help in the development and transportation in Kolar area.

So, I kindly request you to kindly allocated fund and develop railway line from Whitefield to Chittoor via Mulabagale.
