Title: Regarding pending works of ESIC Medical College and Hospital Gulbarga, Karnataka - Laid

DR. UMESH G. JADHAV (GULBARGA): I would like to draw the attention of the hon. Minister of Labour and Employment and Minister of Health and Family Welfare towards the fact that ESIC Medical College and Hospital is in Gulbarga, Karnataka where Government of India has spent nearly Rs. 1200-1500 crores for the construction of the building and this building was inaugurated in the year 2014.

Medical college and under Graduate courses started in that building, but still a lot of work is pending. Every month more than Rs. 80 lakh electricity bill has to be paid by the Government due to the temporary arrangement. Drinking water provision has not been made properly. More than 50 per cent of residential accommodation is unutilised. Lift work and many major works are yet to be completed. It is requested that once again the entire building work has to be re-examined and instruction be given to the agency to complete the pending works.
