Title: Regarding sanction of a Road over Bridge (ROB) at Surampalam in Kakinada Constituency.

SHRIMATI VANGA GEETHA VISWANATH (KAKINADA): Sir, many villages in India are not well connected to the nearby big villages and towns due to lack of proper roads, RoBs and RuBs. Not only employers and students but farmers, villagers and agricultural labourers are also finding it difficult to reach their destinations on time. Surampalam Village in my Kakinada Parliamentary Constituency is also facing huge problems for long. Surampalam village does not have a proper road to accommodate ambulances, cars or any other vehicles except two wheelers. Hence, I am requesting the hon. Railway Minister, through you, Sir, to kindly sanction one RoB at Surampalam in my parliamentary constituency.
