Title: Demand to commence more departments in North-Eastern Hill University campus in Tura Parliamentary Constituency.

KUMARI AGATHA K. SANGMA (TURA): Thank you, hon. Speaker Sir, for giving me this opportunity.

Sir, the North-Eastern Hill University campus in Tura, in my Constituency, was established in 1996. Since its inception, it has got 10 departments. The reason for establishing this University was to ensure that the people and the children of that region have access to quality education.

So, Sir, through you, I would like to request the Government to introduce more departments in this Campus. It would be beneficial if it would have departments like Journalism and Mass Communication, Life Sciences, and Social Sciences. So, these departments could be introduced in this Campus. Also, five departments require an academic building. So, through you, I would request the hon. Minister to sanction this building. Also, we need to have an increase in the intake of students and also more Assistant Professors need to be appointed.

In the NEHU Campus in Shillong, there is also a Kendriya Vidyalaya. In a similar manner, it would be of great assistance to our people if we could also have a Kendriya Vidyalaya in the NEHU Campus, Tura. Apart from this, we need irrigation facilities in the Department of Agriculture in NEHU and also, a 24-hour medical setup needs to be established in the campus.

Sir, these are the main requirements that the NEHU campus is demanding for. There are so many other demands but due to paucity of time, I would only like to highlight these.

I thank you once again for giving me the opportunity to speak on behalf of my Constituency and also on behalf of the NEHU Campus, Tura.
