Title: Need to give financial assistance for building houses resilient in cyclone affected areas from Pradhan Mantri Awas Yojana in Odisha.

श्री भर्तृहरि महताब (कटक) : अध्यक्ष महोदय, पिछले महीने ही ओड़िशा में फैनी चक्रवात आया था । उससे काफी नुकसान भी हुआ था । The Government of Odisha has requested the Union Government to sanction at least Rs. 5 lakh for building each house affected by the cyclone from *Pradhan Mantri Awas Yojana (Grameen)* with one-time waiver of permanent wait list norm for completely or partially damaged houses in the area affected by the severe cyclone Fani. The State Government has also requested that the sharing ratio of funds between Centre and States should be 90:10 instead of 60:40 for construction of the said houses in such areas under the said scheme. यह जो कोस्टल एरिया है, उसके हिसाब से । However, there has been no response from the Government relating to this. Here I would like to mention that Odisha has been repeatedly affected by cyclones and, therefore, we have to build resilient houses. इस हिसाब से ओड़िशा सरकार की तरफ से एक प्रस्ताव आया है कि assistance for each house may be increased to Rs. 2.5 lakh in Cyclone Fani affected areas. CBRI has prepared three types of houses for cyclone-resilient houses so that they can withstand severe cyclones.

पिछले 10 वर्षों में तीन से चार बार साइक्लोन आया है । जो आईएवाई के तहत घर दिए जाते हैं, वे सारे ध्वस्त हो जाते हैं या आंशिक रूप से डैमेज्ड हो जाते हैं । अगर हम एक साथ ढाई लाख रुपये रेज़िलिएंट हाउस बनाने के लिए

देंगे, तो उस हिसाब से वह गंभीर चक्रवात में रिजिस्ट कर सकता है । मैं आपके माध्यम से सरकार से यह गुजारिश करना चाहता हूँ ।
