Title: Issues regarding in complete work of railway under-bridges in Karur Parliamentary Constituency, Tamil Nadu.

SUSHRI S. JOTHIMANI (KARUR): Hon. Speaker, Sir, through you, I would like to draw the attention of the Railway Minister regarding some serious issues pertaining to my constituency, Karur.

In Maravapalayam Gandhi Nagar, Vettamangalam Panchayat, a new railway under-bridge needs to be constructed to ensure safe crossing. In Vangal Kuppuchipalayam Panchayat, the over bridge between Manmangalam and Ellaimedu is left incomplete by the contractor and the road connecting the bridge is damaged. In Vellapparai, Gujiliamparai, there is water logging in the under-bridge rendering it unusable. In Palayam, Gujiliamparai Block, the railway under-bridge constructed is very narrow and prone to accidents. In Subramaniyapuram Gujiliamparai Block, there is water logging in the under-bridge rendering it unusable. In Puliampatti, Gujiliamparai Block, there is water logging in the under-bridge rendering it unusable. In Pudukottai, Gujiliamparai, the railway under-bridge is constructed in a way that is prone to accidents. In Nallamannarkottai, Vedasanthur, the railway under-bridge construction work is not completed even after several years. In Eriyodu, Vedasanthur Block, there is also water logging issue due to a closed well under the railway tracks. In Laxmanapuram Thadikombu Pirivu, Vadamadurai Block, there is water logging in the under-bridge rendering it unusable. People have to travel over 10 kms. to cross the railway line.

I urge the Railway Minister to take note of these issues and solve them as early as possible. Thank you, Sir.
