Title: Need to sanction stoppage for three Express trains - Laid

SHRIMATI RAMYA HARIDAS (ALATHUR): It would be a great blessing for employees of PR Info Tech, New India Assurance Company and pilgrims to the famous Utharalikkavu Bhagavathi Temple and important tourists places in Wadakkanchery, if stoppage for three trains are provided at Wadakkanchery and Mulamkunnathukavu. There are important Centres between these two stations and hence sanctioning a stoppage for Palakkad – Punalur - Palaruvi Express, Kochuveli- Nilamber Rajya Rani Express and Trivandraum-Madurai Express at Wadakkanchery and Mulamkunnathukavu will be highly beneficial for the commuters.

It would be grateful if a new passenger train through Palakkad-Palani route is introduced and also consider the reopening of Amatanagar railway station which was closed earlier.
