Title: Regarding construction of Mannuthy- Vadakkumchery six lane road project-laid.

SHRIMATI RAMYA HARIDAS (ALATHUR): I urge the Government to take Steps for the immediate completion of the Mannuthy-Vadakkumchery six-lane road project. Travellers are facing a lot of problems. It was learnt that construction of six lane road project was hindered due to the hampered work of the flyover construction at Vadakkumchery.

Action should be taken to accelerate the acquisition of land for this purpose. Travellers are facing a lot of problems due to the sluggish work.

I kindly request you to take necessary action to solve it.
