Title: Need to construct houses under Pradhan Mantri Awas Yojana in Nagapattinam Parliamentary Constituency affected by Gaja Cyclone recently.

SHRI M. SELVARAJ (NAGAPATTINAM): Thank you, Sir. It is well-known to the nation that the Gaja Cylone hit my Constituency, Nagapattinam, on 15th October, 2018. It had affected 12 districts. The poor people had lost their houses as well as their livelihood. They are temporarily living on the roadside till now. They are not moving into their own houses. They are unable to build their houses.

As far as agriculture is concerned, the paddy crop has been completely destroyed. The coconut, mango, teak and other valuable trees had fallen and remained unused.

Therefore, I request the Government of India to provide more funds as well as houses from PMAY. The Government of India is also requested to allocate more funds to the affected people of these districts.
