Title: Need to construct a bridge to connect two national highways on each side of River Vasishtha in Narsapuram Parliamentary Constituency, Andhra Pradesh.

SHRI KANUMURU RAGHURAMA KRISHNARAJU (NARSAPURAM): My request is, through you, Sir, to the hon. Minister of Highways. This is mainly to bridge the gap, by way of building a bridge, between two districts which got separated by a major tributary of River Godavari, called River Vasishta. There has been a proposal to build a bridge at that place which is at the headquarters of my constituency, Narsapuram. Since the last 40 years, four people have laid the foundation but unfortunately, they could not start the project.

It is not only going to bridge the gap between two districts but also connect two highways which are on each side of the river Vasishta. This has been a dream of the people living on the Godavari coast. In this regard, we would submit a detailed proposal to the hon. Minister of Road Transport and Highways.

Hon. Speaker, Sir, through you, I request the hon. Minister to take my request into consideration. It has been a dream of the people of my constituency for the last 40 years. Thank you.
